

To Whom it May Concern,

I rent one of the properties managed by Dee Stace and Cindy Soldal of Currituck Rentals. I have enjoyed working with them immensely and have recommended their services to friends looking to rent as well as military families looking to rent out their homes when transferred to another duty station. Dee, especially, excels in passing down pertinent information from our landlord. She does it in such a professional and courteous way. Messages passed down have always been respectful and pleasant. The few times we've had any problems with the house have been taken care of in a prompt and efficient manner. I feel lucky that my path crossed with Dee and Cindy's when it did. It has been really nice working with them. When it's time, I will definitely use their services again as a realtor to buy a house.

Sincerely,

Rae Rogers

Thank you so very much for sponsoring a Shelter Pet in the Daily Advance paper for our "Adoptathon 2011". Thanks to you and other sponsors, fifteen Shelter Pets were adopted and one was fostered during the two day event. Although Baige, the Shelter pet that you sponsored, has not yet been adopted, we are sure that he will be adopted into a "forever" home. We are very grateful that you chose to support the homeless animals in the SPCA Shelter.

Sincerely,
